

**"For this God is our God forever and ever,
He will be our guide even to the end**

(Psalm 49:14)

God

**He has taken all my worries,
He has taken all my fears.
He has taken all my heartaches.
He has wiped away my tears.**

**He has given me the gift of faith,
To make those mountains move.
He has given me hope again,
My doubts He did remove.**

**I look ahead with blessed hope,
For the gift of promises foretold,
In my heart I now receive
What soon I shall behold.**

**How do we praise and thank our God
Who is love, trust and power.
Our Lord and Saviour, Jesus Christ
Our strength, fortress, high tower.**

**For He shall do all He said
His promises to fulfill.
Keep on trusting and do not doubt,
Claim your place on His holy hill.**
